Men, If You Like Good Meals Give Your Wife a Hoosier Cabinet NOW!

A well equipped kitchen is
one of the natural rights of
every good housekeeper. This
is the greatest opportunity
you will ever have to make
your kitchen perfectly con-
venient, at a bargain price.

You are not the sort of man to
expect your wife to go along year
after year with no better conven-
iences in the kitchen than your
grandmother had. Men, now-
days, don't cut wheat with a crad-
le as grandfather did; don't
write letters with a quill, or work
in the shop with out-of-date
tools. You have things up-to-
date in your work. You bet you
do, and you expect

3 Square Meals a Day

right along too. Listen, men! Is
it fair to the wife to let her get
along with old-fashioned woman-
killing household equipment when
you can have one of these new
Hoosiers delivered tomorrow for
only \$1? Of course not. You
mean all right. You would like
to have a convenient kitchen.

Just Hand Us a Dollar

We will put one of these five
new Hoosiers in your home at a
price so low you will think we are
cheating ourselves. The Hoosier Company let us
make these prices this week to introduce these new
models. They are far below the market standard

at \$9 LESS than standard prices—with aluminum table—
and white enamel cupboards.

midway between the Hoosier Wonder and Hoosier Beauty
in convenience—equal to Hoosier Beauty in size.

—the only kitchen cabinet with roll doors that are remova-
ble and sanitary—no cubby holes or partitions catch dirt or
dust.

—the National Step Saver; most complete and most practical
kitchen cabinet ever made; most popular cabinet in the world.

—all white enamel inside and out—a kitchen cabinet of
remarkable beauty.

Surprise Her!

Send one of these out tomorrow sure. Come in early before some of these styles are all gone. Just a
dollar now; then a dollar a week for a few weeks. That is all. If she isn't delighted, we will take back the
cabinet and hand back your money with a smile. Do this much for your wife NOW. You owe it to her.

chandising plan and you will back it up with your brains
for better efficiency than you ever had in your kitchen.
That's a statement;—here's the proof.

The most popular thing in America is the Dollar. If
you can deal in the most popular thing in America you ought
to be able to get rich. We have made it possible for you to
deal in the "Dollar."

The Hastings Cabinet

is identified with the "Dollar." The quality of the Hastings
Cabinet is a matter of history. For years it has been sold on qual-
ity. The quality of the "Dollar" is likewise a matter of history.
The Hastings Cabinet seemed to be a good thing to tie the "Dollar"
up to. The "Dollar" seemed good enough to be tied up to the
Hastings Cabinet. The tying has been done. The Hastings Cab-
inet is now identified with the "Dollar"—with the quality of the
"Dollar"—with the popularity of the "Dollar".

The HASTINGS CABINET is the DOLLAR CABINET

Barnes-Hale Wedding.

The home of Mr. and Mrs. W. M. Hale
was the scene of a pretty wedding last
evening, when their daughter, Dorothy
Alma, became the bride of Albert Lee
Barnes, son of Mr. and Mrs. A. G.
Barnes of this town, in the presence
of the two families. Rev. D. E. Trout of the
Brattleboro Universalist church performed
the ceremony, using the single ring service.
The bride wore a white mull gown and
carried bride roses. She was attended by
her sister, Mrs. Guy Johnson of Leon-
ister, Mass., as bridesmaid, and her brother,
Atherton Hale, was best man. Mrs.
Johnson's dress also was white. Miss
Florence Weatherhead played the wedding
march. After the ceremony a reception
was held, after which the couple left by
automobile for a wedding trip. On their
return they will begin housekeeping in
the upstairs apartment in A. G. Barnes's
house, which he has made ready for their
occupancy. They received numerous gifts,
which included silver, linen and furniture.
Mrs. Barnes has attended the Brattle-
boro high school and since then has lived
at home with her parents. Mr. Barnes is
associated in farming and cattle business
with his father.

HINSDALE, N. H.

Small Game Season Opens Friday.

The open season on small game begins
Friday, Oct. 1, and the many local nimrods
are planning to be out in full force that
day, although partridges and woodcock
are reported to be somewhat scarcer than
last year, the supposed scarcity being due
possibly to the wet summer. However,
hunting conditions at best are most al-
ways uncertain to base predictions upon
and information at the close of October
is worth many times the obtainable now.
The game laws are about the same as
last year, except that gray squirrels are
protected at all times. Partridges, wood-
cock and ducks may be taken during Octo-
ber and November with a bag limit of 10
each for one day on the first two species
and a limit of 50 each for the season. The
open season on rabbits extends from Oct.
1 to March 1. Deer may be killed the first
15 days in December. Fur bearing ani-
mals, which includes foxes, cannot be tak-
en until Nov. 1 and not after March 1.
Every hunter or trapper, except on his
own land, must take out a license, the
cost of which is \$1 for residents and \$15
for non-residents. The license must be
carried on the person while hunting and
the hunter must exhibit it on demand to
any person for inspection, under penalty
of a fine and forfeiture of his license.
